- A24 Group will carry out ongoing Customer Satisfaction surveys, which will include the views and opinions of Clients (service users) and Agency workers in order to monitor the quality of placements for both groups.

A process of self-monitoring, through ongoing internal audit on different facets of our service will be carried out and reported to the Registered Manager and Directors monthly. Details of audits and findings will be documented and actions taken as a result of shortcomings will form part of our ongoing commitment to quality services and standards.
