Statement of finance for our services

The A24 Group is financially robust and pays all staff members weekly for services rendered. Our accounting department is centrally based therefore ensuring that all payments and funding properly accounted for. The group employs 4 Chartered Accountants and a payroll team of 30 staff. The Finance Director has overall responsibility and accountability for the smooth running of the operations. All rents are paid centrally directly to landlords, although the group owns its head office premises. The company has a strong balance sheet and has a solid approach to business and managing risk within the business.
